

Makerspace Use Agreement and Release of Liability for Minor Patrons (the “Agreement”)

The Pikes Peak Library District (PPLD) provides patrons with the opportunity to access and use its Makerspace facilities and equipment, as described in more detail below. All patron use of Makerspace facilities and equipment is entirely optional and voluntary and is for purposes of recreation, education, and/or self-improvement.

In order for a minor patron (under 18 years of age) (“Minor User”) to use the Makerspace facilities and equipment, a parent or guardian of the Minor User or other person with legal authority to enter into this Agreement on the Minor User’s behalf (the Parent/Guardian) must review this Agreement, provide the information requested in Section 1 below, and sign this Agreement in the area designated at the bottom of the document.

Please note that this document includes a Release of Liability that releases PPLD and others related to it from liability for personal injuries and other losses resulting from the Minor User’s use of the Makerspace facilities and equipment. Please read carefully.

The risks also include other risks arising from Minor User's involvement in the Makerspace Activities, including unpredictable risks and risks inherent in the use of the work areas, facilities, tools and equipment used in Makerspace Activities. The Parent/Guardian agrees that the Minor User's participation in Makerspace Activities involves risks of accidents and serious personal injury and illness, paralysis, permanent disability, and even possibly death, of the Minor User. All above-referenced risks and other risks arising from the Makerspace Activities are referred to herein as the "Risks."

The undersigned Parent/Guardian expressly assumes, for such Minor User and the Parent/Guardian, and their respective heirs, family and estate, executors, administrators, assigns, and personal representatives, all Risks arising from the Minor User's participation in Makerspace Activities, whether those Risks are known or unknown, or are predictable or unpredictable, or are Risks inherent in the Makerspace Activities.
