Instructions:

1. Line up 6 Popsicle Sticks in a line
2. Take 2 Popsicle Sticks and lay them diagonally across - one at the top, one at the bottom
3. Use the pen to mark the edges of the two cross beams
4. Use scissors to trim the edges of the Popsicle Sticks. The two cross pieces should be flush with the edges of the 6 Popsicle sticks
5. Take the glue and attach the cross pieces across the 6 door pieces
6. Take another Popsicle stick and lay it diagonally across the others.
7. Use the pen to mark where the Popsicle stick hits the inside of the two cross pieces.
8. Trim the edges. The diagonal piece should lie flat between the cross pieces
9. Glue in place
10. Take small rock, and position as door handle.
11. Decorate however you want!
