

## Take and Make: Valentine's Day Votive Candle

*Inventory:* 1 candle and 1 pin

*Please have the following on hand for completing the program:* Plate or bowl for carving crumbs, pen/pencil/marker for marking, and additional carving tools if desired.

Instructions:

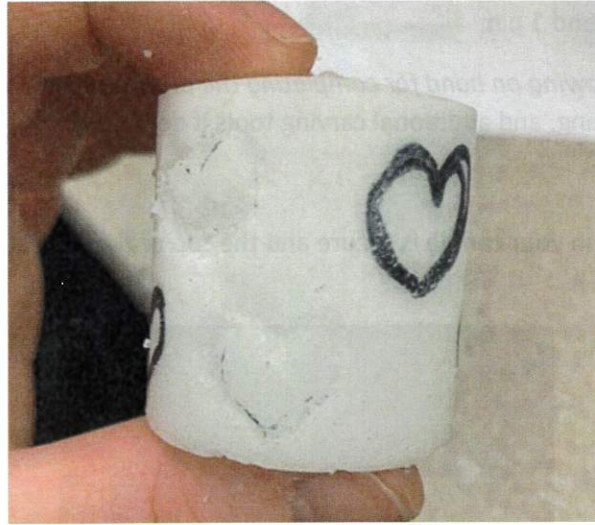

1. Make sure the wick in your candle is secure and the top of the wick still pressed into the top of the candle.

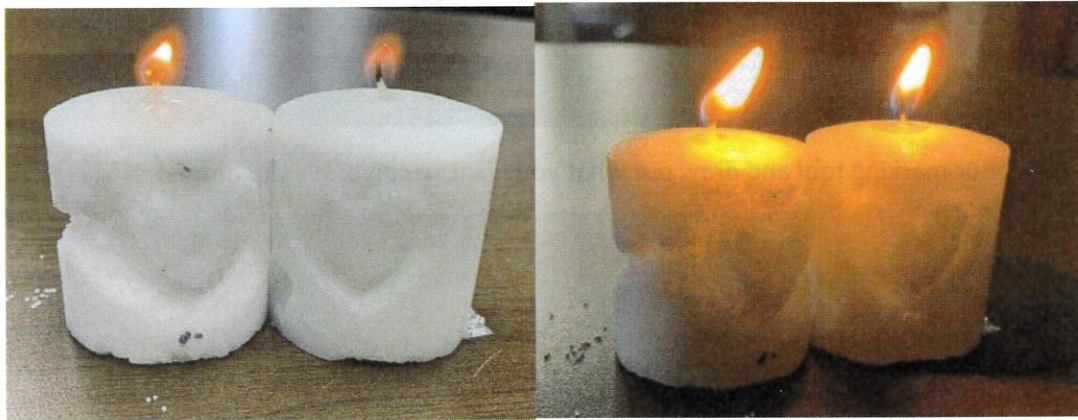

2. Take your marking tool and draw out what you want to carve. We did hearts!

3. Once your pattern is drawn, begin carving the shapes out with your pin. Press your pin into the candle gently, using the pin to "draw" the pattern.

4. Once finished, gently wipe down with a wet paper towel or cloth to collect any excess crumbs.
5. Give to your Valentine and enjoy!
