

MAKER in Residence Ela Diel

Native American Beading culture crosses many tribes and has significant meaning in who we are in our tribes as well as what we believe in within ourselves. Join Ela Diel, a Cherokee native, as she shares with you pieces of her culture. Help keep some native traditions alive through beading art.

SEED-BEADED ROSETTES

In seed-beaded rosettes we will learn a way to meditate in beading in the round to make beautiful centerpieces that can be made into wall décor, pendants and more.
